AIMS HONEYWRAP FUNDRAISER 2022

13 May 2022

Dear Parents /Caregivers

Honeywrap is New Zealand's original, organic alternative to plastic wrap. No more plastic wrap in lunchboxes or rubbish bins.

It protects your food, keeps it fresh and can be used over and over. Wrap, rinse, repeat!

Each Honeywrap will save the equivalent of 75 metres of plastic wrap from going into landfill or our oceans over the period of a school year. Each wrap is handmade in New Zealand from 100% organic cotton and are compostable at the end of their life.

Honeywrap also has a range of other environmentally friendly products for you to choose from.

All order forms are to be return to Mrs Mac in Mansfield 2 and payments can be made online.

PLEASE FILL IN THIS SLIP AND RETURN IT TO SCHOOL BY 17 JUNE
